**Thank you to everyone for
supporting us through these
uncertain times.**

Firstly, a massive thank you to all our wonderful staff who have worked very hard keeping themselves and the children safe through COVID 19. You would of hopefully noticed or will see when you return that they have worked extremely hard on cleaning the centre, painting tables, fences, cutting down trees and making the garden tidy and much more enjoyable for children. We are looking forward to welcoming back the rest of our Team.

As a committee we couldn't thank them enough.

Please check out our amazing new website: www.lordswoodpreschool.org/

This has kindly been designed at no cost during this difficult time by John Watson Photography www.johnwatsonphotography.com/

We are so grateful this and is a huge cost savings.

Exciting new arrival in our garden.

Thank you to a kind gentleman that created this wonderful boat for children to enjoy for many years.

Delivered to us at no cost.
