Early Years Foundation Stage (EYFS) 2022

The EYFS has been updated for September 2022. We will be working alongside these guidelines with the children.

Staff will now be spending more time playing and observing the children than completing lots of unnecessary paperwork.

Children will be learning towards age bands birth to 3 and 3-4 years.

2-year-old checks will continue.

We will continue to update tapestry with daily photos of your children, these will be showing you all the fun activities they are doing whilst learning new skills through play.

Staff will phone parents and written summary will be sent each term to update you on your child. However, if you have any questions or concerns, please do phone or email us at any time.
